

INTEGRATED MANAGEMENT POLICY

At Eurobox we work to offer innovative and sustainable solutions in the **MANUFACTURE OF METAL PACKAGING** for food and perfumery industries.

In order to achieve a **level of Excellence** in the areas of **Quality, Environment, Prevention, and Food Safety**,

Eurobox is committed to:

<p>1</p> 	<p>To Ensure Continuous Improvement of the provided service, always satisfying both the requirements requested by clients and interested parties, and the regulatory and/or legal requirements that may apply.</p>	<p>2</p> 	<p>To Ensure that our Clients perceive and appreciate our continuous improvement, through continuous and personalized contact, keeping the highest demands.</p>
<p>3</p> 	<p>To Control the Internal and External Processes, deploying actions for risk management, and seeking their Efficiency.</p>	<p>4</p> 	<p>To Guarantee the supply of products that keep Food Safety requirements</p>
<p>5</p> 	<p>To Ensure an adequate relationship with the Environment, maintaining control of energy consumption, and environmental performance, in relation to the tons of processed tinplate.</p>	<p>6</p> 	<p>To Ensure the Safety and Health of workers, through the diagnosis and Prevention of occupational risks.</p>
<p>7</p> 	<p>To Guarantee Social Responsibility and Human Rights in all its operations, through compliance with Spanish and European legislation.</p>	<p>8</p> 	<p>To Publish to employees and partners the content of this Policy, in the Quality, Environment, Prevention and Food Safety, motivating their Commitment and Involvement.</p>
<p>9</p> 	<p>To Establish a Strategic Plan to collect the objectives aimed at guaranteeing the content of this Management Policy.</p>	<p>10</p> 	<p>To Integrate the commitments of this Management Policy in the line of command and workers.</p>
